

September 13, 2011

Dave Thomas, Executive Director  
United States Practical Shooting Association  
872 North Hill Boulevard  
Burlington, WA 98233

Dear Mr. Thomas:

As directed by the Board of the United States Practical Shooting Association, election ballots for the Presidential and Area 5 elections were mailed and completed ballots were received directly by our office. All ballots received on or before September 1, 2011 were counted and the results are as follows:

Area 5 Director:

|                              |       |       |
|------------------------------|-------|-------|
| Farris                       | 273   | 38.1% |
| Drazy                        | 252   | 35.1% |
| Thompson                     | 192   | 26.8% |
| Total Valid Ballots Received | 717   |       |
| Invalid Ballots Received     | 5     |       |
| Total Ballots Sent           | 2,488 |       |
| Response Percentage          | 28.8% |       |

President:

|                              |        |       |
|------------------------------|--------|-------|
| Voigt                        | 2,639  | 48.0% |
| Strader                      | 1,890  | 34.4% |
| Keen                         | 524    | 9.5%  |
| Westcott                     | 290    | 5.3%  |
| Meek                         | 158    | 2.9%  |
| Total Valid Ballots Received | 5,501  |       |
| Invalid Ballots Received     | 18     |       |
| Total Ballots Sent           | 18,197 |       |
| Response Percentage          | 30.2%  |       |

**Note:** Invalid ballots represent ballots returned with no candidate indicated or ballots received with more than one candidate indicated.

We are available to answer any questions with respect to the election procedures or results. Thank you for selecting Jacobson Jarvis & Co, PLLC for your professional services needs.

Sincerely,

Julleen Snyder, CPA
